Miami Township Trustees

Minutes of October 1, 2025, special meeting

Call to Order

The meeting was called to order at 2:00 p.m. by Chairperson Mucher with Trustee Moir and Trustee Hollister present.

Trustees discussed collaboration with Cedarville Township and the Greene County Engineer on reconstruction of Harbison Road. The County Engineer's office would seek a grant for \$535,000. In addition to that Miami Township's share would be \$88,000.

Discussion focused on the changing conditions of Harbison Road. The road is narrow and has a thin base. Particularly in Cedarville Township the number of houses has gone up. Traffic has increased to 380 cars each day.

Trustee Hollister made a motion and Trustee Moir seconded the motion to approve Resolution 2025-30 to authorize the Assistant County Engineer Samantha Scarfo to apply for a Ohio Public Works Commission grant funding most of the cost of the Harbison Road project. The motion passed unanimously.

Chairperson Mucher adjourned the meeting at 2:35 p.m.
